Bacom Pt, Ice Plant Road & Curlee Rd. Work Continues

Despite the inclement weather work is proceeding on Airport Road in Belle Glade, Bacom Point Road in Pahokee and Curlee Road near the Prison Farm. Distinguishable progress was noted during the past week. Laramore Road is scheduled for start in the "immediate future" according to State Road Department officials.

The contractor on Airport Road in Belle Glade—running from SR-715 in Chosen in front of Pioneer Growers to SR-15 or US-441—is letting no grass grow under his bulldozers. He has the muck excavated on half the job from US-441 to the railroad crossing and has half of the remainder taken out on the remaining stretch. He has backfilled with Lake Okeechobee Rock and in the not too distant future he will be building curb and gutters.

On the Bacom Point Road where citizens have been fussing for weeks about the nearly impassable condition of the road—with not enough detour signs to make for completely safe driving—slow progress is being made. Curb and gutter has been built on about half the job and work has stopped completely on this particular part of the project. Limerock is being hauled from Immokalee and put down in the area where the curb and gutter construction has been completed.

Curlee Road construction—running from the hump-backed culvert near the Prison Farm across the muck to the Glades Sugar House—is progressing nicely this week. Lake Okeechobee rock is being hauled in and a large culvert was installed last week to connect the road with the county road north of the Sugar House.

Rotary To Donate \$1000 To Hospital

The members of the Pahokee Rotary club plan to be among the first civic groups to donate \$1,000 to the new Everglades Memorial Hospital for furnishing a room in the handsome new building. Everglades Federal Savings and Loan Association has already given their check to the Pahokee Hospital fund to furnish one room.

Members of the Board of Directors of the Rotary club thought it would be an outstanding gesture to make such a donation. Present plans call for each of the more than 40 members to donate \$10 personally and then make up the balance of the thousand out of the Rotary treasury.

Cooperation has been evident on every side with the hospital folks making a splendid effort to secure funds to buy drapes and many small odds and ends that will be needed before the hospital can open its doors to the public. Hospital officials have been loud in their thanks for all donations that have been received up to date.

Mr. and Mrs. J. T. Miller and children will spend two weeks in Salerno Beach.

Everglades Federal Gives \$1000 Check To New Pahokee Hospital

Shown above left to right are Elmer Jones, manager of the Pahokee Branch of Everglades Federal Savings & Loan Association, Richard F. Poston, executive vice president and manager of Everglades Federal, and Mrs. Alys M. Ogle, chairman of the Northwestern Palm Beach County Public Hospital Board. Mr. Poston and Mr. Jones are presenting Mrs. Ogle with a check for \$1,000 from EFS&LA for the Everglades Memorial Hospital Fund. Other businesses and individuals who have made donations to the fund are U. S. Sugar Corporation, Claude Shirley, O. B. McClur, the Pahokee Business and Professional Women's Club, the Pahokee Rotary Club, the Bank of Pahokee, Pahokee High School students, Roy Vandegrift, Sr. (Vandegrift-Williams Farms), The Women's Hospital Auxiliary (for curtains), the Pahokee Garden club (landscaping), and Resmedo Sod Company (Sod).

Kelley Successful South Bay Voting

Former Mayor-Commissioner F. W. Kelley defeated former councilman Ray Sullivan in a special election in South Bay on Tuesday of this week. Mr. Kelley received 161 votes and Mr. Sullivan 134. They were battling for the unfinished term of A. R. Grigsby, who resigned because of ill health.

In the special election voters oked a referendum that will put city employees under civil service. The vote on this matter was 118 in favor and 113 against.

Shirley Is Moving His Texaco Plant

Work is progressing nicely on the moving of the Texaco plant from behind the Rinker (Shirley Bros.) Materials plant to a site immediately north of the railroad and north of the Rinker plant on US-441—Pahokee Canal Point Road.

Lyman Shirley, Texaco dealer, has had a crew busy for several days moving the metal warehouse, in which he stores many items, to the new location. This week 2 multi-thousand gallon storage tanks have been erected at the new site.

A great deal of new fill was placed on the plant site before the moving and construction work started. This was done with the thought in mind that the location would be turned into a truck stop in the not too distant future.

Mr. Howard P. Holman and children, Martha and Jimmy are leaving this week for a summer vacation with her parents, Mr. and Mrs. Gaston Fisher in Belmont, North Carolina.

Kyle Scott Named "Man Of The Year" By Pahokee Lions

Kyle Scott, assistant principal of Pahokee High School, was named "Man of the Year" by the Pahokee Lions Club at their annual Ladies Night Banquet Tuesday night. Mr. Scott was presented a plaque by past president James W. Vann. R. J. Schroder, who has served as secretary of the club for 16 years also received a plaque.

District Governor Bill Brewer of Fort Pierce was in charge of the installation of officers who are as follows: George Rashley, president; Harry B. Elarbee, first vice president; Lewis M. Collins, second vice president; J. D. Douglas, third vice president.

Kyle Scott, secretary; Otham O. Gilbert, treasurer; Richard F. Hurt, lion tamer; Charles Lewis, tail twister; Curtis A. Chase and Leon Spooner, new directors and Duncan Padgett and Dr. R. L. Hatton, holdover directors.

Threlkeld Named PHS Dean Of Boys

James T. Threlkeld has been appointed dean of boys at Pahokee High School, it is announced by County School Superintendent Robert W. Fulton. The appointment is effective for the 1965-66 school year.

Threlkeld is being promoted from teacher and coach at the same school. From 1956 to 1964 he was a member of the Canal Point School faculty. He holds a B. S. degree from Florida State University, and a master's degree from the University of Mississippi.

Miss I-75 Receives Crown At Wildwood

WILLOWOOD — Suzanne Lynn Warner of St. Petersburg was crowned Miss I-75 Florida last week in competition with 18 other beauties. Miss Warner will represent Florida in the Miss I-75 U. S. A. contest where she will compete with winners of five other states through which Interstate I-75 is now traveled.

The pageant was held to celebrate the opening of a new Pure Oil Co. truckstop at the Wildwood interchange of I-75. The truckstop features all conveniences for interstate truck drivers as well as tourists and is a new conception of the well established service station that has developed through the use of the new interstate highway system.

Soft Ball League Teams Play Tight At Half-Way Mark

Nearing the half-way point in the Glades Fast-Pitch Softball League, the race for the top spot favors last season's chase. City Products, the defending champion, currently holds a one game lead over Rashley's Dry Cleaners, last year's runners-up. The rest of the league drops off the pace nearly five full games to the third place team.

City Products kept its winning streak alive with victories over Loxahatchee Prison Farm and Glades Chevrolet this week, and Rashley's kept pace with wins from Geneva's Drive-Inn and also Glades Chevrolet.

Phil Bonnell upped his league-leading pitching mark to 8-1 as he marked both wins—the first one, a two-hit, shutout over Loxahatchee, 12-0. Mac Crews and George Mills were the big guns in the batting support for Bonnell. Crews had three singles in an 11-hit barrage of Loxahatchee's pitcher, Phil Overfeit. The Icemen had more difficulty with Glades Chevrolet, edging them 6-4 after blowing a 5-1 lead. The league-leaders were handicapped with six starters being away on vacation and other obligations, but Bonnell was able to hold on despite the shaky fielding support he received.

Earl Var pitched a two-hitter to blank Glades Chevrolet, 7-0, and team mate Jerry Snyder checked Geneva's on five hits for a 5-2 win for Rashley's. Other league action saw Loxahatchee break a seven game losing streak with a come-from-behind win over Geneva's in a 2 1/2 hour slugfest, 17-16.

The Team Standings:

	W	L	GB
City Products Corp.	9	1	
Rashley's Dry Cleaners	8	2	
IAW Local, No. 57	2	3	4 1/2
Geneva's Drive-Inn	4	8	6
Glades Chevrolet	2	6	6
Loxa. Prison Farm	2	7	6 1/2

GUESTS ATTEND WEDDING

Guests of Mr. and Mrs. Thurston Butler for the wedding of their son, George Edward, were Mr. and Mrs. Ben Bennett and children of Alaska, Mr. and Mrs. Morris Werckheiser and children of Palatka and Mr. and Mrs. Roy Edwards of Melbourne.

Half Dollars Are Scarcer Than Hen's Teeth In Glades

The familiar half-dollar—fifty cent piece—is scarcer than the proverbial hen's teeth in the Glades section of Palm Beach County. On Tuesday of this week a customer was told at one of the banks that there were no half dollars.

A few months back the federal government announced that beginning in a few weeks half dollars will be minted from an alloy of nickel on the outside and copper inside—sort of a sandwich coin—with no silver whatever. Quarters and dimes will be made of the same material. The material will be the same as that used to mint the familiar five cent piece—nickel as it is known to Americans.

Today's half dollar contains 43¢ worth of silver and the new halves will have no silver in them at all. Maybe that is the reason they are disappearing from the American scene. Maybe hoarders have read the story about the new kind of halves to be minted and have decided to hold on to a few of the old ones. +

What good it will do to hoard the halves and quarters is not known. Several years ago the federal government called in all the gold coins and made it a crime to have them after a certain date. The same thing will in all probability happen to the halves, quarters and dimes being hoarded today.

Anyway, there aren't enough halves available in the Glades today to meet the demands of customers who need them in the transaction of business.

Canal Point Lions Install Officers

Kyle Scott of the Pahokee Lions Club was the installing officer at the installation of officers at the Canal Point Lions Club Monday night.

The officers installed were as follows: president, A. R. Harrington; first vice president, J. W. Pepper; second vice president, D. L. Hooks; third ice president, P. A. Slomaker; treasurer, H. H. Sears; secretary, Mel Paul; lion tamer, Gaulden Harrington and tail twister, O. H. Sheppard.

The one-year directors are James Gibson, Albert Fremd and J. G. Weeks. The two-year director is Bill Gallick.

Art Museum To Get Three Story Addition

SARASOTA—Plans for a \$470,000 three-story addition to the Ringling Museum of Art were revealed recently by Curtis G. Coley, museum director.

The addition, which has been okayed by the Legislature, will form an extension of the visiting south wing of the museum. Its facilities will include a work area, gallery level and top-floor administrative offices.

Movies Are Filmed State Of Florida

TALLAHASSEE — Florida is fast becoming known as filmlands newest movie mecca.

Close to New York by jet, only an overnight flight from Europe, and endowed with a climate made for picture-taking, the Sunshine State is a big new interest for some outstanding film names.

Last year, a Rock Hudson movie was filmed at Silver Springs and a Robert Taylor movie was made in Orlando. Jackie Gleason says "how sweet it is" to winter in Miami Beach and the television series "Flipper" is being filmed in South Florida.

"Around the World Under the Sea" is now being filmed in Miami and scenes for the newest James Bond thriller have been shot there, too.

Television commercials are continually being shot at Cypress Gardens and at Tampa's Busch Gardens while the President's Council on Physical Fitness chose a Tampa high school to film a demonstration of the academic

program for physical education. Florida Development Commission officials are delighted for Florida publicity and tourism. And what better publicity could they get?

OUT-OF-TOWN GUESTS

Out of town guests attending the Rayburn-Butler wedding: Mrs. Donie Taylor, the bride's grandmother of Dothan, Alabama; Mr. and Mrs. W. R. Wyatt of Tampa; Mr. and Mrs. Gene Wren and their children Donnie, Debbie and Ricky of Bradenton; Mr. and Mrs. Robert Bixell and daughter Debbie and Karen from Alaska; Mr. and Mrs. Roy Edwards and son Michael of Melbourne and Mr. and Mrs. Morris Werkeiser.

Mr. and Mrs. R. R. Arner have returned to their home after a two-week vacation.

Junior College Will Enroll Until July 23

Enrollment for the second six week session from June 14 to July 23 at PBJC has reached a new high of 963 students. This includes 556 day students and 407 evening students. The enrollment figure represents an approximate 20 percent increase for the comparable period last year.

PBJC is offering 43 classes to daytime students and 22 in the evening.

About 150 students are expected to graduate on July 27.

Registrar Elbert E. Bishop urged fall term applicants for day classes to complete their forms prior to the deadline of August 9. Final testing for all new students is to be completed by August 11.

Registration for both day and evening students will begin August 23 and classes will resume August 27.

About 4000 students are expected to enroll.

New $3\frac{3}{4}\%$ interest

on U.S. Savings Bonds

The Treasury explains why the new ones you buy and the ones you own now are better than ever

Q: How does the new $3\frac{3}{4}\%$ interest rate benefit me?

A: With Series E Bonds, the rate turns \$18.75 into \$25.00 fourteen months faster than the old rate. Your savings increase faster, because your Bonds mature in just 7 years, 9 months.

With Series H Bonds, the 10-year maturity period stays the same but more interest is paid you each six months. With both E and H Bonds the new rate works out to $2\frac{1}{2}\%$ for the first year and a half; then a guaranteed 4% each year to maturity.

Q: When did the new rate become effective?

A: June 1, 1959.

Q: Does the new rate change the Bonds I bought before June 1, 1959?

A: All older E and H Bonds pay more now—an extra $\frac{1}{4}\%$ from now on, when held to maturity. The increase takes effect in the first full interest period after June 1.

Q: Will the Bonds I own automatically earn their new rate?

A: Yes. You don't need to do a thing—just hold on to your Bonds.

Q: When my E Bonds mature, will they keep on earning interest?

A: Yes. An automatic 10-year extension privilege went into effect along with the new interest rate. This means your E Bonds will automatically keep earning interest after maturity.

Q: With the new interest rate, should I cash in my old Bonds and buy new ones?

A: No. The automatic $\frac{1}{4}\%$ increase makes it unnecessary—and in almost every case it is to your advantage to retain your present Bonds.

Q: How are series H Bonds different from series E Bonds?

A: The chief difference is this: You buy H Bonds at full face value and the interest is paid by Treasury

check every six months for the life of the Bond. You buy E Bonds at 75% of face value and the interest accumulates to maturity. H Bonds provide income for living expenses, while E Bonds build a nest egg for the future. That's why many retired people hold H Bonds and families saving for, say, a child's education, buy E Bonds.

Q: In what denominations can I buy series E and series H Bonds?

A: E Bonds: \$25 (cost \$18.75), \$50 (cost \$37.50), \$100 (cost \$75.00), \$200 (cost \$150.00), \$500 (cost \$375.00), \$1,000 (cost \$750.00), \$10,000 (cost \$7,500.00).

H Bonds: \$500, \$1,000, \$5,000, and \$10,000. They are priced at face value.

Q: How safe are U.S. Savings Bonds?

A: Savings Bonds are an absolutely riskless way to save. The United States Government guarantees the cash value of your Bonds will not drop, that it can only grow.

Q: What if my Bonds should be lost, stolen or destroyed?

A: You can't lose. Every Bond purchased is recorded by the Treasury. If anything happens to your Bonds they are replaced—free.

Q: Where can I buy Bonds?

A: Buy E Bonds at any bank—it takes only a few minutes. Buy them automatically through the Payroll Savings Plan where you work. This Plan means you can have any amount you name automatically deducted every payday. The Bonds you buy by installments are delivered to you automatically, too. Your bank will take your order for H Bonds.

Q: How do I help strengthen America's peace power when I buy U.S. Savings Bonds?

A: Peace costs money—money for military strength and for science. And money saved by individuals helps keep our economy sound.

YOU SAVE MORE THAN MONEY WITH

Accounting Firms Under Restriction

TALLAHASSEE — Opponents to Florida's present restrictive accounting laws say the regulations are proving a handicap to both local industry and national firms who have established branch offices and plants in the state.

Florida is the only state that denies such reputable accounting organizations such as Price Waterhouse & Co., Arthur Andersen & Co. and other national CPA firms from doing business in Florida under their own names from their own permanent offices.

While most of the larger industries operating in the state, with stock listed on the Exchange, have employed these accounting firms in the past, the present law, they say, is proving a severe handicap.

Legislation has been drafted to rectify the situation and will be considered by the Legislature. The new bill has found some opposition by some local accounting firms who claim it would weaken controls and create unwanted competition.

Proponents of the bill say opposition is ridiculous as the old law no longer applies and if Florida hopes to continue its industrial growth it is imperative that the restrictions are removed. Present restrictions prohibit branch offices of national accounting firms to be opened in Florida.

The corrective bill, proponents say, will in no way prove detrimental to Florida accountants, it will in fact be helpful, they point out, as it will open opportunities for employment of Florida CPA's as officers and branch managers of leading national concerns in the accounting field.

Water Ski Show Is Big Hit At Fair

NEW YORK — The Florida Citrus Water Ski Show has become the hit of the 1965 New York World's Fair. Attendance for the first week of the show, performed four times each afternoon in the Florida Pavilion's amphitheatre, was close to 150,000. Admission to the show is free with funds being provided by the Florida Citrus Commission, the state and the Florida Citrus Commission, the Florida World's Fair Authority to pay all expenses.

The ski show, however, is only part of the transformation of the Florida Pavilion. The porpoise show, featuring dolphins from the Miami Seaquarium, has drawn 148,116 people through May 14 as compared to 16,817 for a similar period last year.

The Florida Pavilion overall is estimated as having drawn 40 per cent of the total fair attendance. This figure is expected to increase as the Florida Citrus Water Ski Show receives further exposure.

In Florida,
after golf
beer's the one...
for good taste,
good fun

After a hard-played 18 holes, it's good to settle down on a soft chair in the club house and add up the score with friends. What better time for the drink that scores with almost every golfer—cool, thirst-quenching beer? Yes, beer's great to relax with, great for refreshment, great for taste. So whatever your sport—boating or baseball—swimming or tennis—relax afterwards with the zestful taste of beer.

A message from the Treasury of a free people

Each of the seven denominations of Series E Savings Bonds shows a different President of the United States. If you're interested in this kind of art, the seven make a nice collection.

Along with the hobby, Savings Bonds offer such extras as riskless investing, 33 1/3% more money at maturity, and financial freedom for your future.

But there are other kinds of freedom tied in with your purchase of Savings Bonds. Freedom to speak your piece, choose your job, and own your property, to name a few. Every bond you buy helps our government further the cause of freedom everywhere in the world today.

Why not start collecting U. S. Savings Bonds now? Only \$18.75 each for the George Washington variety, at your bank or on Payroll Savings where you work.

Keep freedom in your future with

Jacqueline Brock Weds J. R. Tucker

Miss Jacqueline Florence Brock, of Pahokee, daughter of Mr. and Mrs. G. A. Brock of Atlanta, Ga., became the bride of James Ronnie Tucker, son of Mr. and Mrs. J. C. Tucker, Pelican Lake, Fla., Friday, June 18.

The couple exchanged vows in a candlelight ceremony at Canal Point Baptist Church at 7:30 p. m., with the Rev. Lawrence Stewart, pastor, officiating. Miss Brenda Kay Unwin, Pahokee, was maid of honor and Ralph Jones was Mr. Tucker's best man.

Given in marriage by her father the bride wore a street-length dress of white lace over satin and carried a white-Bible overlaid with lace and centered with a white orchid.

Mrs. Tucker attended South Cobb School in Atlanta and is presently employed at Florida National Bank in Belle Glade. Mr. Tucker graduated from Pahokee High School in 1963 and is associated with Echols Electric, Belle Glade.

After a wedding trip to Alabama and Georgia the newlyweds will be at home to their friends at 311 Cypress Ave., Pahokee, after July 4th.

Mrs. J. D. Latham accompanied her daughter, Mrs. Audie Hooks, of Clewiston to Miami on Tuesday.

Bonnie Lee Rayburn Weds George Butler

Miss Bonnie Lee Rayburn and George Edward Butler, both of Pahokee, were united in marriage at the Pahokee First Methodist Church Chapel on Sunday, June 20 at 3 P. M. with the Rev. Guthrie Colvard, pastor of the First Baptist Church, officiating at the double-ring ceremony.

The altar decorations featured a basket of pink and white gladioli and white pompon mums with ferns decorating the altar railing and two candelabras. Miss Faye Harris played the nuptial music.

The bride, the daughter of Mr. and Mrs. Thelmon Rayburn of 535 South Barfield Highway, is a 1965 graduate of Pahokee High School and was employed as a D.C.T. student by the Wetherington Funeral Home.

Mr. Butler, the son of Mr. and Mrs. Thurston Butler of 435 Cypress Avenue, is a 1962 graduate of Pahokee High School and is employed by the United States Sugar Corporation at Bryant.

Mrs. Hugh Redd, matron of honor and the bride's only attendant, wore a pink silk shantung street-length two-piece sheath dress and carried a bouquet of pink carnations.

The bride, given in marriage by her father, wore a white imported chantilly lace gown with high sash, neckline, tapering elbow-length sleeves, fitted waistline and very full skirt with sweeping train.

Her circle yell of tulie was attached to a forward train of beaded flowers with teardrops. She carried a bouquet of pink sweet-heart roses and lily of the valley.

The bride's mother wore a turquoise, embroidered sheath dress with beige accessories and a corsage of pink roses. The groom's mother wore a green linen sheath overlaid with lace and a corsage of pink roses.

Hugh Redd served as best man. Robert O. Shackford and David Rayburn, brother of the bride, served as ushers.

The reception was held in the Fellowship Hall of the church following the ceremony. Assisting were Mrs. Frank Rosenberg and Miss Debbie Parrish. Miss Ann Rayburn was at the Bride's Book.

After a honeymoon trip to North Carolina Mr. and Mrs. Butler will be at home at Keen's Trailer Park, Canal Point, Florida on July 3.

Dr. Manor Plans Lecture-Vacation

Dr. Harold C. Manor, President of Palm Beach Junior College will combine his vacation with a lecture engagement at the University of North Carolina at Chapel Hill on July 8 and 9. Dr. Manor will lecture at the College of Dentistry at a workshop which is being held for the training of teachers in the Dental Assistants program. The course is especially for those who wish to prepare as staff members in the junior college program. Oth-

ers included in the workshop program are a consultant from the United States Office of Health, Education and Welfare, a representative of the American Dental Association, and an instructor from a San Diego Junior College.

Special emphasis is being placed on training in unified school districts as well as in teaching and course construction. The history of the development and organization of programs in the junior college will also be discussed at the workshop.

PBJC expects to plan their dental assistant course throughout the coming school year and offer the program in the fall of '66. The lo-

cal college expects to hire one or more staff members during the coming year to prepare specifications and help to plan the new curriculum.

Dr. Manor expects to return to the PBJC campus on Monday, July 12.

MRS. YORK RETURNED HOME
Mrs. J. R. York returned to her home in Pahokee Monday after spending the past six months with her daughter, Mrs. Browning Roach and Mr. Roach in Maryville, Tenn. Mr. Roach has been and still is seriously ill. His condition is reported as being no better during the past couple of months.

CRICKET IS BETTER

W. A. (Cricket) Cross, Sr., is much improved this week following an attack of blood poisoning on one of his feet. So severe was the poisoning for a while that amputation was considered before it changed for the better.

SIMONSON-LAIR CIRCLE

The Simonson - Lair Circle met in the home of Mrs. Richard Hurt. There were nine members present. Mrs. Blakey gave the devotional of "Commissions of Laity". Each member present gave a thought for the day.

CARD OF THANKS

I would like to thank my friends and neighbors for the kindness shown me while in the hospital. The prayers, cards, gifts and flowers will never be forgotten. I'm especially grateful to the staff of Everglades Memorial Hospital. May God bless each of you.
